Re: USDA Food Order Instructions – Ordering Deadline for Fruits and Vegetables **May 3, 2010**, Deadline for Canned Dried Beans and Tomatoes **May 7, 2010**, and the Deadline for Meat/Poultry is **May 14, 2010**. No Exceptions!

The USDA Food order form is available online by going to the following Web site and clicking on the USDA Foods section http://www.opi.mt.gov/Programs/SchoolPrograms/School_Nutrition/index.html#gpm1_6 and click on “USDA Foods Ordering Program.”

The login ID and password information are the same as those used for the CNPWeb and the Cooperative Purchase programs. If you have a problem with your password, please call Sofia Janik at (406) 444-2521.

When you reach the online order form, go to Sponsor Functions in the upper left of your screen and choose Enter/Modify Food Orders as shown below.

All original orders are locked and cannot be changed. To see the quantities on your original order – choose Print Completed Order from the menu and select the order number (48) from the locked order. All quantities on the new order are in addition to the original order.

You will need to click on Generate New Order Number to start the next order process.

Generate New Order Number						
State FY	Program	Order Id	Date Submitted	Order Amount	Order Locked	
2011	NSLP	15		5300.65	<input checked="" type="checkbox"/>	Select

Once you generate a new order number it will be added to your list of orders and you can click Select to begin the ordering process.

2011	NSLP	254		0.00	<input type="checkbox"/>	Select
2011	NSLP	48		5303.74	<input checked="" type="checkbox"/>	Select

Use the Food Group list to see the foods in that group. The Dairy Group is the first group and will automatically appear when you open your order form. Click Edit next to the item you want to order. The line turns yellow to indicate that you are working on this order line.

The numbers in the lower left of the food lists indicate there are more pages of food items. Click the numbers to move between pages.

There are two sections on the order form.

Section 1: Entitlement Items (these will be charged against your entitlement balance).

Section 2: Bonus Items (these are "free" and will not be charged against your entitlement balance).

Only the items that are available at the time of the order will show in each section.

Order Deadline: 4/29/2010 Entitlement Balance Remaining: \$2500.20 [Submit Order](#)

You may submit your order as many times as needed prior to the order deadline. The order may be modified throughout the ordering window even if you have already submitted it.
